To,
The Principal,

12th December, 2018

Dear Sir,

Subject: Participation in National Science Day-2019 at IPR, Gandhinagar.

Institute for Plasma Research (IPR), Gandhinagar is an aided R&D institute under the Department of Atomic Energy, Government of India, and is actively involved in R & D in the field of Plasma and Fusion Science & Technology. As we have done in the last few years, IPR is planning to organize the **National Science Day 2019** during **2nd and 3rd February 2019** at our main campus in Bhat, Gandhinagar.

The National Science Day envisages interaction between students, public and scientists of IPR through open house, science displays, demonstrations, projects, skits & competitions like quiz, eloquence, essay, poster *etc.* for school students. It will be our pleasure to invite students and teachers of your school to actively participate in this program and contribute to the awakening of the scientific spirit and enthusiasm among the people of our country, especially the students.

Please refer to the attached documents for the details of the program of the National Science Day-2019. We request you to kindly communicate with us well in advance regarding the participation of your school with the details such as programs that your school will participate in, number of students / teachers, date of arrival *etc.*, so that we can make the necessary arrangements. You are also requested to keep yourself updated regarding the details of NSD-2019 at our website;

<http://www.ipr.res.in/documents/nsd.html>

If you have queries regarding any of the NSD programs, please feel free to contact the Coordinator by calling 079-2396 2000 or by sending an e-mail to scienceday@ipr.res.in

You may also write to us on our postal address:

Coordinator, NSD 2019,
