Contributory Health Service Scheme (CHSS)
Revised Schedule of Rates (SOR) -2023

EXPLANATORY NOTE:

1. The rates mentioned in this CHSS SOR are the maximum ceiling rates. The respective Centres/Units should fix the rates payable to Hospitals/Labs, Specialists and AMOs, within the ceiling rates in SOR, depending on the prevailing rates at the respective CHSS station.
2. Any hospital found to be charging CHSS beneficiaries more than their rates for general public, will be derecognized from CHSS.
3. "Surgical procedure rates" shall mean and include the following:
 - i. Operation charges (includes Surgeon's fee, Assistant's fee)
 - ii. Anaesthesia charges (includes Anaesthetist's Fee)
 - iii. Operation Theatre charges (includes Central Sterilization charges)
 - iv. Equipment charges
4. The cost of all dressing materials like bandages, Gauze, plaster and alcohol swab are reimbursable. Masks, drapes, gown, gloves, sheets, caps used during hospitalisation are allowed at actuals. The hospital should give the break-up of all materials used in the final bill. No amount should be collected from the patient for the above items. The list of in-admissible items under CHSS are listed under Explanatory Note Para No.15.
5. The hospital should prepare the bill in duplicate, one copy should be handed over to the CHSS beneficiary (patient) and the other copy should be sent to concerned CHSS accounts.
6. Original invoice should be produced by the hospitals for use of implants/mesh/stent. In cases of bulk purchase by the hospital, a copy of the original invoice should be attached with the hospital bill.
7. Hospitals should supply the required medicines (oral/injections/topical) disposables and implants during in patient treatment and include the same in their final bill.
8. The approval of Competent Authority should be obtained before use of high value drugs (over and above Rs. 10,000/-per unit) except in cases of life threatening emergencies. The copy of original invoice of the drug should be attached with the final bill.
9. **Guidelines for use of imported drugs/implants:**
 - a) Use of imported drugs/implants is allowed only when similar item manufactured in India is not available.
 - b) The treating specialist should certify that all indigenous drugs/implants have proved ineffective and no substitutes having equal therapeutic value are available in the country. The Specialist should also record that the use of imported item is considered absolutely essential.
 - c) Whenever, more economical drug/implant of equal efficacy from reputed company is available, the cheaper option should be used.
 - d) Handling charges will not be allowed.

10. Prior approval of the **Competent Authority** has to be obtained for procedures/ investigations/items not listed in the CHSS Schedule of Rates.
11. Registration charges and admission charges are not separately payable under CHSS.
12. The **consultation charges payable to Specialists/Super Specialists** are revised as follows:

OP Consultation	Rs. 400/- (Valid for 7 days) for Specialists Rs. 500/- (Valid for 7 days) for Super Specialists
Ward Consultation (only one consultation charge for each specialist per day)	Rs. 300/- for Specialist: Rs. 400/- for Super Specialist
Dental Surgeons	Rs. 150/- (Only one consultation charges allowed)

Note:

- i. Those who have DM and MCH or equivalent qualification after post graduation will be considered as Super Specialist.
- ii. During ICU admissions, intensivists charges will be limited to one specialist consultation charges per day.
- iii. Patients suffering from Chronic Kidney diseases on regular dialysis can be issued single CHSS referral letter valid for a month clearly mentioning the number of dialysis required per week. The hospital can charge for relevant investigations as advised by the Nephrologist. The bills for dialysis should have signature of beneficiary on each day of visit.
- iv. Patients who require physiotherapy can be issued single CHSS referral letter valid for a maximum period of 15 days. The bills for physiotherapy should have signature of beneficiary on each day of visit.
- v. Patients who require radiotherapy can be issued single CHSS referral letter valid for one full cycle of radiotherapy. The bills for radiotherapy should have signature of beneficiary on each day of visit.
- vi. When patients are diagnosed with cancer requiring chemotherapy/radiotherapy, the treating consultant(s) should issue a certificate clearly mentioning the treatment plan, the drugs being used, the duration and the cost of the treatment. The prime beneficiary will have to obtain approval of the Competent Authority for the treatment planned. A copy of this approval will have to be attached with the reimbursement claim submitted by the hospital.

The **consultation charges payable to AMOs (Allopathy, Ayurvedic & Homeopathy)** are revised w.e.f. 10/07/2023

Particulars	Consultation charge ₹
First/Fresh Consultation	180/-
Re-consultation (after three days of first consultation) / Issuance of Referral	120/-

However, it appears that some confusion prevails among few of the AMOs about the admissibility and applicability of the same.

Therefore, while keeping the above rates unchanged, the following is clarification proposed and communicated to the AMOs for better clarity.

(1) Consultation charges:

- (a) Consultation charge of ₹180/- per patient is payable for first/fresh consultation.
- (b) No consultation charge shall be payable for re-consultation for the same ailment and the same patient within three days of the first/fresh consultation.
- (c) However, fresh consultation charge of ₹180/- may be paid for different ailment within three days of the first/fresh consultation provided there is a clear mention of the diagnosis/treatment in the bill.
- (d) ₹120/- per patient is payable for every subsequent follow-up consultation in respect of the same ailment with a gap of three days from the date of every immediate previous consultation.
- (e) Whenever multiple referrals are issued, only one follow-up consultation charge i.e. ₹120/- will be payable.

(2) Other charges:

The other charges like dressing, suturing, injection etc., will be as per the rates prescribed in the Schedule of Rates (SoR).

The AMOs' are not supposed to dispense any medicines etc. from their clinic. They should issue our prescription on our prescription slip for any medicines/dressing material required.
